

Tradizione Product and Business Presentation

WHAT IS TRADIZIONE?

- Tradizione is a personal care brand that brings the gentlest and most effective products that are healthy, safe and easy to use.

“Made by Filipinos, for Filipinos”

- Tradizione provides livelihood to many communities by sourcing and manufacturing products locally.

Tradizione as a company

- Tradizione is a member of the Direct Selling Association of the Philippines (DSAP).

TRADIZIONE SOAPS

Your skin is not a laundry.

Each of our soap variants is rich in Virgin Coconut Oil, which effectively protects, moisturises and softens the skin.

We love women and men!

Tradizione soaps are mild, very safe to use and also recommended for men.

Each of our soap variants does not contain harmful chemicals.

All the soaps are so gentle and can be used by pregnant and/or lactating women.

MOCCA

WHITENING SOAP

Helps treat acne scars and skin pigmentation | Lightens the skin naturally | Leaves the skin soft and silky

KEY INGREDIENTS:

Kojic Acid

Skin-whitening is no magic, it's Kojic. Coming from several varieties of mushrooms, Kojic Acid is definitely one helpful organic compound that exfoliates, lightens and clears the skin, making it smooth.

Precaution:

Expect the skin to peel when using Kojic Acid and this should not be used together with other peeling agents. It is highly recommended to apply moisturiser and sunscreen (SPF of 30+) and avoid prolonged exposure to the sun.

Tea Tree (*Melaleuca Alternifolia*)

Certainly, one of the most-popular natural beauty remedies, Tea Tree has been known for its **antiseptic and antifungal properties** that help treat acne, insect bites and other skin infections.

BLANCO

ANTI-AGEING SOAP

Reduces the effects of skin ageing | Makes skin soft and silky | Treats skin irritations

KEY INGREDIENTS:

Rosehip oil

Harvested from the seeds of rose bushes. It is full of vitamins, antioxidants and essential fatty acids that are known to correct dark spots and hydrate dry, itchy skin, all while reducing scars and fine lines.

Collagen

Look younger and more radiant with this ingredient which is known for its ability to revive dull skin. Collagen reduces the signs of ageing as it **helps increase the skin's elasticity**.

Jojoba oil

Hydrates the driest of skins, facilitates the cell regeneration process, and increases skin elasticity and firmness. It is rich in Vitamin E, B-vitamins, silica, copper, zinc, etc. All these natural components are highly beneficial to get rid of wrinkles.

CHAI

ANTI- OXIDANT SOAP

KEY INGREDIENT:

Camellia Sinensis (Green Tea) Extract

Protect your skin from the damaging effects of free radicals that cause premature aging with CHAI Green Tea soap.

Green tea's tannin and polyphenols antioxidants fight body odor and are disinfectants. They also tighten pores and help skin retain moisture and gain bounce.

PUR

FOR SENSITIVE SKIN SOAP

Coconut soap which has all the goodness of coconut does miracles on your skin.

KEY INGREDIENT:

Virgin Coconut Oil

VCO in PUR coconut soap contains lots of fatty acids such as lauric, caprylic, and capric acid which provide deep moisture and hydration to dull and gloomy skin. Unlike ordinary soaps, coconut soap doesn't dry out your skin while cleansing it.

The lauric acid found in PUR coconut soap contains antimicrobial, antibacterial, and other such compounds which create a protective barrier on the skin when used regularly. Using coconut soap regularly can protect your skin from allergies and conditions.

PUR soap also provides natural UV protection.

NOIR

PORE MINIMISER SOAP

KEY INGREDIENT:

Activated Bamboo Charcoal

Activated Bamboo Charcoal is four times more porous than wood charcoal. Its high absorbency allows it to pull dirt from deep inside your pores. This helps cleanse your body by getting rid of years of accumulated dead skin cells, harmful toxins.

The ability of charcoal to unclog blocked pores makes your skin smooth and clean, and allows the products you apply after cleansing to penetrate more deeply, ultimately making them more effective.

ROZA

ANTI-BACTERIAL SOAP

KEY INGREDIENT:

Bearberry/ Uva ursi

Bearberry extract offers UV protection sun filters which can reduce the amount of tanning and prevent premature ageing of the skin. The leaves of Uva Ursi contain a very powerful and recognized antibacterial chemical compound known as hydroquinones. Bearberries also help to cure wounds and improve scars.

TRADIZIONE BODY AND MASSAGE OILS

The utmost care is taken to ensure that our Body and Massage oils are not subjected to heat or sunlight.

This preserves all the natural goodness of the oil, including a high content of vitamin-E, antioxidants, and minerals that promote good health.

Virgin Coconut oil is perfect to use for body massage, skin moisturizer, make-up remover, as a naturally low SPF sunscreen, among others, plus, VCO can be a better shaving solution than the chemical-rich traditional shaving creams and foams.

KEY INGREDIENT:

Virgin Coconut Oil

Keep your skin protected and reinvigorated with the anti-microbial properties of VCO.

97% Organic VCO
3% Essential Oils

CARAMELLA (ANTI-AGEING)

Ingredients:

Vanilla Essence and Extract

Happy, relaxing and healthy—that's the vanilla feel! Treats acne, fights ageing and has anti-oxidants that protect the skin from toxins.

Strawberry

Give your skin a sweet and relaxing treat with the oil that moisturises and keeps you looking young and refreshed. The Vitamin C and other anti-oxidants present in strawberries can delay the ageing process and can also help brighten up dull skin and improve your complexion.

Argan Oil

Here is your skin's natural booster. Let your body absorb the nutrients found in *Argan Oil* and feel your skin become soft, your hands and feet supple and your nails strong and healthy. Great for ageing skin as it minimises wrinkles and produces radiant skin.

MANZANA (EXFOLIATING)

Ingredients:

Almond Oil

Known for its calming effect, *Almond Oil* keeps the skin moisturised and treats allergies, minor wounds and skin infections.

Pomegranate Oil

Revel in this oil's many powerful ingredients that stop free radicals, fight wrinkles and other signs of skin ageing. Pomegranate has ellagic acid that regenerates skin cells and punicalagins that renews cells, smooths and prevent wrinkles.

VIOLET (CALMING AND RELAXING)

Ingredient:

Lavender Essential Oil

A regular massage with Violet Body and Massage Oil can provide relief from pain in the joints as its lavender oil has been found to be superb in relaxing tired muscles especially that of the head and feet.

The antiseptic and anti-inflammatory properties of lavender oil is beneficial to speed up the healing process of wounds, burns, and also helps treat scars, acne and other inflammatory conditions.

MENTHO (SOOTHES TIRED AND ACHING MUSCLES)

Ingredient:

Peppermint Essential Oil

Peppermint oil has a high menthol content that produces a soothing, cooling and refreshing sensation that you will positively feel and love.

It helps reduce aching joints, muscular aches and pains.

LUNTEE (MOISTURISING)

Ingredient:

Green Tea Essential Oil (Camellia Oil)

An oil that is light and non-greasy, it is excellent as a moisturiser for the skin. Extracted from the seeds of the green tea plant, *Camellia Sinensis*, it is very rich in **POLYPHENOLS**, substances that are powerful antioxidants, fights free radicals, and helps avoid the damage of collagen and elastin of the skin.

This essential oil is very well-used in lymphatic drainage massages that aids in eliminating body toxins.

TRADIZIONE HAIR CARE

TROPICA SHAMPOO

Makes hair stronger and shinier

Feel confident and free with your crowning glory. Give your hair a new life and vitality with the natural ingredients of *Tropica*.

KEY INGREDIENTS:

- **Virgin Coconut Oil**
VCO does not say no, especially when it comes to caring for your skin and even your hair. Its antifungal and antibacterial properties help maintain healthy hair and scalp.
- **Vanilla Extract**
For Fragrance

BLAQ SHAMPOO

Go back to basic! An all-natural shampoo for a shiny and black hair for both men and women.

INGREDIENTS:

Virgin Coconut Oil (VCO), Aloe Vera Extract, Pongamia Glabra Seed Oil (Natural Preservative), Fragrance

CEDA CONDITIONER

Keeps the hair soft, smooth and healthy | Maintains the hair's pH balance

You don't need those harmful chemicals to achieve lustrous locks. Ceda takes care of your hair naturally, making it soft, silky and beautiful.

KEY INGREDIENTS:

- **Virgin Coconut Oil**

Here is nature's way of conditioning your hair from inside out. Add a healthy glow to your tresses as one of the world's healthiest oils penetrates deeper and faster than any other conditioner.

- **Aloe Vera**

This is one of the oldest natural ingredients which offers wonderful benefits for your hair. *Aloe Vera* acts as a great conditioner with anti-fungal properties that treat dandruff, itchy scalp and even maintains the hair's pH balance, leaving it strong and moisturised.

- **Apple Cider Vinegar**

Here's another super shiny idea from Tradizione! Adding Apple Cider Vinegar in Ceda guarantees that your hair keeps its natural oils. This ingredient's acidity prevents dryness and balances the hair's pH levels. ACV works as a detangler and closes the cuticle of the hair making it shiny.

LAMEEG SHAMPOO

Stimulating | Antiseptic | Refreshing

You may not know it, but mentholated shampoo and conditioner can be used to protect your hair and prevent some of the damage that can happen over the years. Plus, it will leave your locks smelling sparkly fresh!

INGREDIENTS:

Water (aqua), Coco betaine, Cocos nucifera (coconut) oil, Caprylic cupric triglycerides, Argania spinosa oil (Argan), Helianthus annuus (sunflower) seed oil, Persea gratissima (avocado) oil, Triticum Vulgare (wheat germ) oil, Olea europaea (olive) fruit oil, Glycine soja (soybean) oil, Tocopherol, Menthol crystal, Panthenyl triacetate, Sodium benzoate

LAMEEG CONDITIONER

Stimulating | Antiseptic | Refreshing

You may not know it, but mentholated shampoo and conditioner can be used to protect your hair and prevent some of the damage that can happen over the years. Plus, it will leave your locks smelling sparkly fresh!

INGREDIENTS:

Dodecanic acid (lauric acid), Myristic acid, Stearic acid, Octadecan-1-ol (Stearyl alcohol), Cocos nucifera (coconut) oil, Aqua (water), Glycerin (vegetable derived), Menthol, Triticum vulgare (wheat germ) oil, Olea europaea (olive) fruit oil, Helianthus annuus (sunflower) seed oil, Glycine soja (soybean) oil, Tocopherol, Panthenyl triacetate, Persea gratissima (avocado) oil, Aloe barbadensis (aloe vera) leaf extract, Matricaria recutita (chamomile) oil, Sodium benzoate

TRADIZIONE GROOMING CARE

TRADIZIONE GROOMING CARE

HAND SANITISERS

Kills Germs | Moisturises the skin

The hands are the busiest parts of the body and they can be the dirtiest. When washing with soap and water is not enough to kill germs and viruses, a handy and freshly-scented sanitiser should be with you in your dailygrind.

Contains **Virgin Coconut Oil**, which has anti-bacterial properties that keep your hands germ-free all the time.

VERDE

Sugarcane extract as ethylalcohol

Guava leaf extract Tea Tree extract

Peppermint essential oil

UBEI

Sugarcane extract as ethylalcohol

Lavender essential oil

PIQUANT LIP BALM

Softens and moisturises dry lips

Get that irresistible pout from natural ingredients and keep your lips soft and moisturised all day long with Tradizione Piquant Lip Balm.

INGREDIENTS:

Virgin Coconut Oil

Has anti-microbial properties that prevent dryness and restore the skin's natural moisture.

Vitamin E that makes your lips Vitamin E-resistant, keeping the lips healthy and protect it from sun damage.

Peppermint

Put some thrill into lip care with the exciting flavour and cooling effect of peppermint!

Gives a healthy coating of healing and antibacterial properties.

Moringa oil

Has high content of oleic acid for cell protection

Vitamin A for collagen production, vitamin C for younger-looking skin, and vitamin E for its anti-inflammatory effects.

Beeswax

This bee-made protectant is perfect in shielding our lips from harsh winds that can dry it out. It creates a film that seals in moisture.

Honey

This is a beauty secret that has truly stood the test of time. Honey can moisturise, heal and protect our lips from dryness and possible infection brought by cracked lips.

Shea Butter

It has vitamins A and E that both calm and moisturise dry lips. Additionally UV protection of SPF6 that helps in protecting the lips from harsh UV rays.

TRADIZIONE INTIMATE WASHES

Stay fresh and clean all day long and don't let anything stop you from enjoying life! Tradizione's intimate washes combine natural ingredients that fight bacteria and fungal infections. Stay confident with the intimate wash that will keep you cool, clean and active.

INGREDIENTS:

- **Virgin Coconut Oil**

Keep one of your most sensitive areas protected from harmful bacteria and viruses with the help of the lauric, capric and caprylic acids found in VCO. This ingredient is also rich in Vitamin E, which keeps the pH level of your intimate area balanced.

- **Apple Cider Vinegar**

Natural care is not just about being gentle; this ingredient is also tough, especially when it comes to killing bacteria and viruses while maintaining normal pH level.

- **Tea Tree Oil**

Say goodbye to itch with Tea Tree. Considered as one of the most popular natural remedies, Tea Tree Oil aids skin problems and fungal infections.

- **Eucalyptus oil**

While this ingredient is hot in fighting bacteria and playing its role as a natural antiseptic, *Eucalyptus Oil* is also effective in keeping you cool and fresh all day.

BELLA FEMININE WASH

Maintains normal pH level | Prevents infections | Lightens skin complexion

Your intimate area deserves the gentle protection of Bella. Fight bacterial and fungal infections while maintaining the natural pH level around your intimate area. Bella will keep you fresh, clean and confident all day long.

ADDITIONAL INGREDIENT:

Lavender Oil

Brighten up your day with the pleasing scent of flowers, but *Lavender Oil* does not only suppress unwanted odor with its aroma, it also fights bacteria and other skin infections with the help of its anti-microbial and anti-inflammatory properties.

YUMI FEMININE WASH

Regulates the skin's pH level | Kills bacteria | Cools and refreshes the skin

2x cooling than your ordinary intimate wash! This gentle, all-natural cooling intimate wash will keep you cool and refreshed throughout the day.

Ingredients:

Virgin Coconut Oil (VCO), Tea Tree Extract, Eucalyptus Oil, Menthol Crystal, Pongamia Glabra Seed Oil (Natural Preservative), Sodium Benzoate

Key Ingredient:

Lavender Oil

HOMBRE MASCULINE WASH

Regulates the skin's pH level | Kills bacteria | Cools and refreshes the skin

It's no secret—men also need to feel clean and fresh, especially with their active lifestyle.

Hombre's antibacterial ingredients remove odour, prevents itchiness and skin irritations, plus it gives a cooling effect that's perfect for men on-the-go.

ADDITIONAL INGREDIENT:

Peppermint

Feel cool and clean with the antibacterial and healing properties of *Peppermint*. This ingredient has Vitamins A and C, iron and potassium that are good for the skin.

ASTIG MASCULINE WASH

Regulates the skin's pH level | Kills bacteria | Cools and refreshes the skin

2x cooling than your ordinary intimate wash! This gentle, all-natural cooling intimate wash will keep you cool and refreshed throughout the day.

Ingredients:

Virgin Coconut Oil (VCO), Tea Tree Extract, Eucalyptus Oil, Menthol Crystal, Pongamia Glabra Seed Oil (Natural Preservative), Sodium Benzoate

Key Ingredient:

Peppermint Essential Oil

TRADIZIONE YAPAQ FOOT SPRAY

Prevents odour and sweat | Fights bacteria | Relaxes the feet

INGREDIENTS:

- VIRGIN COCONUT OIL
- ACAPULCO EXTRACT
- GUAVA EXTRACT

Tea Tree Oil

Hard-working feet are prone to sweat which can cause foul odour and infections. Yapaq has *Tea Tree* that naturally prevents over-perspiration and fungal infections that can develop in-between toes and on the soles.

Peppermint Oil

Here's a treat for your tired feet. Other than its antibacterial and healing properties, *Peppermint* gives a cooling and calming effect that can relieve sore muscles.

Sugar Cane Extract as Ethyl Alcohol

We make sure that germs won't have any chance to infect your feet with this ingredient's antimicrobial agent.

Corporate Social Responsibility

Every firm, from the smallest entity to the largest multinational corporation, can do something to help others and make a worthwhile contribution to their local community. An involvement that constitutes a wider contribution such as long term projects will help a lot more.

Tradizione, a proud local brand of personal care products, provides livelihood to communities such as SLP – Sustainable Livelihood Program Luisiana. Our bayongs are made by the **Luisiana Lala Ladies of Laguna**. Through this tie-up, we do not only help the SLP-LLL but the community of Luisiana as a whole.

Our supplier of certified organic VCO from the Quezon Province has the same social responsibility as Tradizione, which are to help create income and employment to small rural communities and give back to the coconut farmers.

Through our efforts to promote and market the Tradizione products, and purchases made by customers and distributors, we are all giving our hands to these beneficiaries. Let us continue being a visionary of our goal – **“Made by Filipinos, For Filipinos”**, promoting and patronizing local products.
